

Advanced 5 ☀️☀️ 2022-2023

Dear families, I hope you all had a wonderful summer vacation and that everyone is ready to dive back into English learning. This year we will be starting an exciting new program called **Oxford Discover**, employing the 4 skills of reading, writing, speaking and listening. The program also focuses on developing the 21st Century Skills of Critical thinking, Communication, Collaboration and Creativity. You will soon receive **login** information in order to access resources and homework online.

I'm looking forward to having your child in the Advanced 5 class! Mrs. Stevenson

Class Blog

.....
If you would like to consult the Advanced 5 **timetable**, see an overview of the class **program** or check vocabulary and grammar points, you can check the blog: <http://noogy.edublogs.org>

Assessments

.....
Students will be given a **grammar or vocabulary assessment** on a Tuesday afternoon. They will be given time to prepare for it.
Children will prepare 3 **presentations** during the school year.

Cambridge Exam

.....
At the end of the school year your child will be given the opportunity to take a **Cambridge Young Learners Flyers Test**. We shall do 3 practice tests during the school. Some children choose to take the **OIB** entrance test in February / March. This includes a reading comprehension exercise and a piece of writing.

Getting in touch

.....
We will have the opportunity to meet at the upcoming parent-teacher meeting. You may contact me through the Oxford Discover application, via Ecole Directe or the "cahier de liaison".
If you should wish to arrange a meeting with me (phone or face to face) then please send me a message to arrange a suitable date and time.
